Lunch will be provided. The event is open to the public but donations will be gratefully accepted.

All entries will be reviewed by the selection committee and the candidates will be informed about the decision and the time of performance. We encourage all participants to stay for the entirety of the program even if their performance is completed.

The following are the rules for application:

1. There are 4 categories of performances:
 - a. Individual (vocal or instrumental)
 - b. Group (vocal or instrumental)
 - c. Individual dance
 - d. Group dance
2. Every performance is allowed a maximum of 15 minutes.
3. Groups must have a "Group Leader" (usually the teacher of the group) who will be the only person to communicate with the Ramanavami committee - regarding request for slot, names of group members, etc. Group Leaders will also have to decide on how to share time among all members of the same group.
4. Individual performers should be of intermediate or advanced expertise level.
5. The committee will make all attempts to ensure that everyone who requests a time-slot will be allotted one. However, we cannot guarantee a time-slot for every request.
